From our monthly online and in-person gatherings, our digital presence through social channels and podcasts, our advocacy work in the healthcare sector, to our workshops and courses, we are working to reduce the sense of isolation that can sometimes come from solopreneurship. Is your dream to be your own boss? Now have a look at what your most expensive local competition is charging to at least get a vague idea of the top of the market this will allow you to assess the level you should charge.

They get to see you, sense you, hear you and know you. We train approximately 1000 people a year. All consultations are in strictest confidence in friendly, professional and comfortable surroundings. Log in. What are the weekly times for the LIVE group coaching calls? Month 3. The clients that choose to see you because of the grandiose name will certainly be disappointed and will be embarrassed to refer her friends and neighbors to you. Now even though attracting traffic sounds difficult it is actually incredibly easy especially if you pay for it however the trick is understanding how well the traffic you attract to your website actually converts otherwise you will be wasting a load of time and money and ending up with no new sales.
