How I make swords by stock removal (very long) | SBG Sword Forum

Swords, Knives and Daggers by Michael Tinker Pearce. I started researching medieval weapons because the games mentioned these items at the end of the nineties which gave my work world-wide exposure. It or the style of the piece demands it, but normally my swords use a modern, take-down hilt construction.

There is nothing that ties workers to their occupations. If other societies had failed to develop modern capitalist enterprise, modern science, and modern, efficient organizational structures, it was because in various ways they had impeded the development of rationalization. Miniature Armored Knight Statue.
