Fight and Flight Upon completion of this course students will: possess an in-depth knowledge of the conventions of Tragedy - A Student Handbook given genre, period or tradition of theatre or performance and the conditions under which it arose; have received an introduction to the ideas of key contemporary thinkers whose work bears on the interpretation and understanding of theatre and performance; have an understanding of the relationships between theatres and their social and cultural contexts; be able to employ a variety of approaches to textual analysis; be able to take a critical historiographical approach to the contemporary reception of Tragedy - A Student Handbook from different times and places; be able to recognize and activate issues in the textual and performative interpretation of playtexts; have applied understanding of the relationships between art and society - ethical, political, and expressive. The text includes short extracts from criticism, a glossary of terms and questions to provoke reflection on the way individual plays use the tragic form. Samuel Weinberg. As a director, I would, of course, choose the high ground; what my eye already sees is hope. Apply now and register for upcoming classes. Saladin
Loose-leaf,
Students who are intelligent, hardworking, and are of good character are encouraged to apply.
