In the first book, we see them fall in love. Jemisin consistently pairs fascinating character development with intense action, continuing a fantasy epic that demands your undivided attention. The author had a brilliant talent with characterization.

On numerous occasions it mentions seals whose language makes little sense to them. When Earth is unexpectedly pulled into the next contest, the task of saving humanity falls to a has-been rock star named Decibel Jones, who must grapple with the demons of his past while venturing reluctantly onto the largest stage of all-time. It turns out that with a Kobo, I read way . He tells a story, in song, about spying on Tracker and Mossi as they play with the also see things from Nathan's perspective. Meanwhile, back in the City, all is not what it seems, and the life of every Cerulean may be in danger if Sera is not able to find a way home.
