Over the course of planning, we spoke to Sean over the phone and corresponded numerous times to Aisling and Sean regarding our expectations. It is impossible to describe all that took place.

Sean and I picked up Footsteps: A Family History Dublin and drove to Cou  
I will personally guide you on a journey into your past. He named the new species Homo naledi.

Volume Issue Free downloadable bow-tie family tree chart. The genetic results were interesting but meaningless without context and Footsteps of Ancestors provides that context. Even though these matches and their families have a dozen surnames, one surname and its variants keeps appearing over and over –that of a famous Scottish clan.
