If you prick us, do we not bleed? We also tried to further the
debate by clarifying a few things: what has already been done
by law enforcement, and, really crucially, what the
perspectives are of all those involved, including lawmakers,
law enforcers, technology companies, academia and many. When
you get a camera moving fast, and someone screaming, it really
works.

Trump really could -- as he boasted during the presidential
campaign -- "stand in the middle of Fifth Avenue and shoot
somebody" and not lose the love of his supporters. Translated
by Henning Koch.
