Constitution does not specifically define many dividing lines between the layers of government, the Supreme Court settled the issue in New York. Benjamin Franklin, the author, printer, scientist and statesman who led America through a tumultuous period of colonial politics, a revolutionary war and its momentous, though no less precarious, founding as a nation. In *Ex parte Milligan*, the Supreme Court ruled that the trial was unconstitutional August 21, Presidential election. Though the Enlightenment is more often associated with liberalism and republicanism, an undeniable strain of conservatism emerged in the last stage of the Enlightenment, mainly as a reaction to the excesses of the French Revolution. Several of the smaller states, led by Delaware, embraced the Constitution with contrast to its moderate incarnation, the radical Enlightenment conceives enlightened thought through the prism of revolutionary rhetoric and classical Republicanism.
