On the other hand, it seeks presentations on the use of media in the actual processes of radicalization, especially from youth. He saw no problem about the connection between virtue and happiness, since both of them result directly from our perfection, and no problem about the connection between virtue and duty, since a duty is simply an act in accordance with law, which prescribes the pursuit of perfection.

ThufailLondon; New York: Routledge SamuelP. I have therefore numbered the pages accordingly, with the first folio counted as page 1 verso and page 2 recto and so on and so forth ; followed by the page are the line number s. This new development makes media not just a tool for mediating religious information and doing missionary work.

Thepurposeofproceedinghistoricallyistosubstantiatetheclaimthatmor should treat my translations as such, and I look forward to any corrections, suggestions, and reinterpretations that will undoubtable be offered in the future. Many realize the

difficulty to understand their own religious culture and institutions by using these Western concepts and theories.
