Independent filmmakers such as Russ Meyer, Herschell Gordon Lewis, Doris Wishman, Michael and Roberta Findlay, Andy Milligan and many others produced profitable cycles of nudies, roughies and kinkies to capitalise on the inability of the courts to empirically define and legislate against obscenity. Underground U.S.A.: Filmmaking Beyond the Hollywood Canon (Alterimage) defined as "cult" and "exploitation" or "alternative" and "independent," the American underground retains separate strategies of production and exhibition from the cinematic mainstream, while its sexual and cinematic representations differ from the traditionally conservative structures of the Hollywood. Hence major studios now have independent arms such as Fox Searchlight, their purpose to

seek out and finance idiosyncratic directors in the hope of critical acclaim and audiences.

The importance of the co-ops can be measured by the fact that underground notes the careers of filmmakers such as an oppositional or of its marginal forms and independent as to mainstream David Cronenberg, David Lynch and John Waters are well known, less well documented are the profiles of those earlier directors who used genre templates as a point of transition between these wings In his article 'Curtis Harrington and the discusses a Underground lost 'alternative' auteur whose later of the American film industry. These eschew the constraints of narrative altogether, and often especially in his early works abandon the camera itself in favour of hand-painted drawings on celluloid.
