Leaders Must Prepare for Digital Transformation

Meanwhile, you have your own aspirations for your company: to be a profitable Maybe you've been through a few such initiatives. A transformation, in this context, is a major shift in an organization's capabilities and identity .. Hearing it described should make your company's leaders, employees, and.

Lean Transformation: "Shock and Awe" vs. "Slow and Grow"

Although it's a relatively old topic, there still seems to be a lot of confusion It has often been said that a butterfly is a transformation and not just a better caterpillar. Cultural transformation starts with the personal transformation of leaders. To transform the culture in your organization, you will need to make changes at.
