A dramatic storm and encounter with a local beachcomber eventually lead to the discovery of a complete dinosaur skeleton in the rock cliffs -- and the right name for their keen-nosed dog. Daisy-Head Mayzie.

From what I remember the main characters are two child gorillas from very different worlds. I liked this story because it had a robot in it. Pls help.

The author and illustrator share an active interest in the environment. With foxy went into a portal and went somewhere weird! This begins a lifelong friendship and monthly book club.
