Readers Corner - True Crime - Gary C. King | Carrie's Take

Beverley Gail Allitt (born 4 October) is an English serial child killer who was convicted of murdering four children, attempting to murder three other children, and causing grievous bodily harm to a further six. The crimes were committed over a period of 59 days between February and She was administered an insulin overdose by Allitt and died at home two.

Amelia dyer documentary

Medical serial killers are trained healthcare professionals who have taken it upon This research examined 16 nurses, both male, and female who have been probably the most well known 'Angel of Death' nurse serial killer in the UK. Allitt was a healthcare nurse who in April was convicted of the murder of four.

Friends, neighbors and community leaders came and went, while Pickton committed debauchery, torture, and bloodletting rivaling the worst on record. What could have been a somewhat clunky programme – mixing animation with actors, real-life descendants of historical characters commenting on events, and a healthy dose of modern day class politics – actually worked...
