About News Contact Support. This quote is included in the hadith collection Bulugh al-Maram which attributes it to Tirmidhi and calls the chain of narrators weak.

There is no room for doubt concerning the antecedence of the Glorious Qur'an. Night and day, health and illness, joy and sorrow, old age and death are all truths written in this book. Birth means to come to the world from the womb; similarly, death means to go to the realm of barzakh from the world. Are You Abandoning the Quran?

Reading it again and again never bores its reader; neither does the reader lose we should make sure that the content is sound and that the ahaadeeth contained in it are saheeh sound because some people are abusing this great blessing of easy communication and are spreading fabricated ahaadeeth and false stories.
