Much of Japanese poetry is inspired by nature, and expresses a feeling of wistfulness or sadness. The archness, like the unruffled procession up the aisle to weconceals the transition from the particular to the general, an operation which, like a river crossing under fire, frequently turns out badly.

The specific detail speaks for the thing itself, but in its speaking, it reminds the reader of the difference between the minute particular and what it represents. There were countless springs, of course, before a nameless poet, aboutwrote one of the first English lyrics for which we have a contemporary musical score:.
