The facility planning committee will meet again after the facility assessment is complete. This is never a decision that is taken lightly and is often the source of a great deal of stress and second guessing.

Weareconstantlytryingtofindwaystohavemoreprogramstosupportourstud Not only does it fail to improve the academic performance of

elementary students, but it might actually be damaging to kids' attitudes toward school, and to their physical health. Some special needs children, who are over-represented in the home education community due to repeated failings of schools, will react very badly to the presence of a stranger in the home, especially if they think that person is there to force them to go back to school.
