A single oyster is like a pool pump, filtering up to litres of water a day. With CFS, this meant doing nothing aside from the class during those four months, yet by the middle of the semester I was noticeably worse and began missing half of the classes the last few weeks. Blackwell Publishing, Idreamofthingsthatneverwere, andaskwhynot. All five are forms of mindfulness practice. But oysters have many talents beyond their famed gastronomic and other qualities. Aristotle helped Hermias to negotiate an alliance with Macedonia, which angered the Persian king, who had Hermias treacherously arrested and
