Hedstrom's title is remarkably apt. Throughout this meticulously researched and carefully argued book one finds a compelling explanation for why liberalism, despite recent setbacks in the decline of mainline denominations, survived. SubscriberLoginEmailAddress.HedstromonlyevernamesKarlBarth,forexam More Americans than ever before wanted to read, and many of them chose to read religious books. Instead, he looks at book cultures, specifically the practices of producing and consuming the middlebrow religious bestsellers that still line the shelves of thrift stores and older church libraries, including books that enjoyed wide dissemination thanks to the paperback revolution. In this context the previously dominant understanding of the United States as a Protestant nation gave way to a new, pluralistic framework that included Jews and Roman Catholics, and the term Judeo-Christian entered the national vocabulary.

This may come as a surprise - most scholarship in American religious history,  
Orders.
