Academic culture has a way of denying or devaluing the subjective. This book has a large number of positive reviews, and my own ramblings will hardly contribute. Request a Review Copy. AmericaAugust2,BestsellingSeries. However, the personal details about interactions with people, some still alive, is a bit too telling. A loving, hard-working, godly couple has long been denied a family of their. Refresh and try . I did not expect it to be interesting at all, but once I got going, it was an engaging read. Do you already have an Oxford Academic account? The author is candid about his own struggles and perceptions of life
