The next morning we returned to photograph the newts and found some additional species for this area such The Persian Viper Iranian Wood Frog Rana pseudodalmatina and Dahl's Whip Snake Platyceps najadum. The next morning we had breakfast with bread and a local specialty, deliciously called goat butter by the locals. A cool snake but not really what we were . ThisareagivestheincrediblefeelingwalkingthrougharainforestandIabs it was time to move on, we drove towards the Kharkeh River just outside Dezful in the south but only saw some Variable Toads and Water Buffalo Bubalus bubalis.
