I think it certainly was part of the calculus, never spoken, never said, between us. I just want to say that I loved it and can't wait to read the other four in this series. More at the Smashwords Blog.

These categories allow author to target readers with more granular specificity. After forty years as a student and a teacher focusing on passing exams, writing essays for teachers and other academics, working with children, adolescents and adults, entering a field of communication studies or human relations at a critical stage of its early development and teaching more subjects than you could shake a stick at--easily in excess of a hundred--it was time to move on in life as middle age was beginning to wind down age 55 to 60 and late adulthood opening on the horizon. January 6, - Learn 17 autopilot marketing tips to leverage your book to sell more books, build your social media following and encourage viral word of mouth. I'm wondering if anyone can help me with finding the title and author of a historical romance I once read and have been looking for ever .
Earlier today I moderated a panel on books subscription services featuring S Himeros.
