Showing of 28 reviews. Twelve-year-old Artemis Fowl is a millionaire, a genius—and, above all, a criminal mastermind. There are dark shadows after her, and a sell-sword named Iseult seems to know more about her past than she does. The writing is just annoying. A Fae or demi-Fae may form a mating bond, an unbreakable tie that withstands even death and is more intimate than a simple spousal bond, with another individual. I wish Crawford had focused more on. I really loved the start of this series, especially the first and second book.

But on the way there, weird things start to happen, and she's forced to reckon with things that are questioned.
