The city is located on the mostly flat Masovian Plain but the city centre is at a higher elevation than the suburbs. Ist es nun ein politisches Seminar [...]? In Poland and the Ukraine in particular, authors are writing in an acerbic language packed with contemporary idiom and jargon, none of which existed twenty years ago.

If the direct object is a noun, the dative precedes the accusative; if the direct object is a pronoun, the dative follows. Norman knights and archers at the Battle of Hastings depicted in the Bayeux Tapestry. With his mother, wife, and two children, he led the life of an orthodox Jew, as both Jackie and Rabbi Ginsberg acknowledge.

There are two common verb forms in English that just don't exist in German: the infinitive and the gerund. I recall, profited little and judged him unenthusiastically; and I see no traces of Witkacy in his work. And he was a relentless, untempered masochist—one sensed this in him all the time.
