Geffrey is the architect of narrative—an authorial stance. Condition: NEW. aim is to show that there is more to Islam in the tale than its appeal to the exotic in which medieval writers and their readership relished. Indeed, the dreamers themselves are the semiotic agents who work to thread together the moving allegorical symbols to capture or craft the subtext of the referent in relation to what the author wants signified within the context of the instability in the House of Rumour.
